

CAPTURING THE
essence

Come experience the photographic magic of Fredric Roberts.

The McMaster School of Defiance College invites you to an afternoon with Fredric Roberts. Mr. Roberts spent 30 years as a successful investment banker, which included serving as Chairman of the NASD, which, at that time, owned and operated the Nasdaq Stock Market. Since retiring from investment banking, he has traveled extensively, documenting his experiences with photographs that have won him national recognition.
